

# Kids Haven

Children's Advocacy Center

Dear Friends:

We are writing to you as a potential sponsor of our 23<sup>rd</sup> annual **auction to benefit children who have been abused**. All proceeds raised through this event are allocated to our **Kids Haven** Program; a Children's Advocacy Center that provides counseling and advocacy services for children who have been physically and/or sexually abused. **Kids Haven** is a joint program of our local city and county governments and the Support, Advocacy & Resource Center (SARC), a non-profit agency.

**Kids Haven** became operational nearly 24 years ago as a unique collaboration of the agencies involved in child abuse cases in Benton and Franklin Counties. Since its inception, **nearly 8,000** children have received services through this program. **Kids Haven** ensures a coordinated response to child abuse that facilitates investigation, prosecution, and recovery. Because of **Kids Haven**, abuse is stopped, cases get to court sooner, and children begin the healing process more quickly. Success of past auctions has enabled SARC to maintain these critical services.

The Benefit Auction will occur at the Cinco de Mayo Celebration the evening of May 3<sup>rd</sup>, 2024. This celebration includes dinner plus live and silent auctions. Below are the various sponsor levels available:

- ☆ **\$5,000 Elite (one available)**
- ☆ **\$4,000 Select**
- ☆ **\$2,500 Diamond**
- ☆ **\$1,000 Platinum**
- ☆ **\$750 Gold**
